NORWICH BASE BALL.

There Is Some Excellent Material in E f. Bensen in Woodstock March 10 Thirty Candidates.

Northfield, March 15,-Thirty candidates responded to Coach Whitney's call for the varsity hase ball team, including some good material. Pete Red-mond's stick work is the talk of the equad and if he continues as he has started, combined with his fine buckstopping and perfect throwing he will make the best catcher Norwich has ever

greater speed than last year, as he developes a change of pace he will prove to be a consistent winner.

Capt. Heid is also working out, but does not intend to pitch unless some-thing happens to the other twiclers. Colburn has also been out for the box a few times, and intends coming out cut out some of the piers, as has hap-Harness Shop by the Bridge, East Barre, regularly after he gots through his minstrel show. With his speed and fine pened in former years, curves, if he can acquire good control A contractor this year, he will develope into a star

For the freshmen box men Berry will

Gullow, another Freshman twirler, is churches, improving in his work every day, Brice, a freehman catcher, who comes rom Hope street school, has been out few times but will be out regularly

fter the backey season closes. Murray, another freshman, is also working out behind the bat, showing even more class than he did on the football field. Murray is without exception the best all around man in the squad, he can play any position, and was mable to explain the rewall too, is a good base cunner and "atticks" like a vateran. Norwich is to be congratulated in securing such a

The infielders of last year's team are all out but are being pushed lurd by Foss, Hayes, Burwell, Twitchell, San-born, Thompson and VerWiebe. Johnny Miles will undoubtedly go into the outfield this season, with Capt.

outfield will be very well cared for GRAFT CASE IN COURT.

Brelsford Will Testify Against Former

jointly indicted with Slater. A motion in abstement was presented by his atformeys, and on the recommendation of Assistant Prosecutor McCoy, the motion was sustained by the court. Breisford will testify against Slater.

A letter writer sends the following comunications to the March American Magazine, which the editors include in department of "The Pilgrim's Scrip.":
"Technically it may have been all

right for the president to cut off Pin-chot's head. It is to be hoped, howyer, that he does not imagine the pubas being interested in the techni-"With marvelous genina for direct-ness, the public always permits its en-giosity to go with incredible swiftness to the root of a thing. This is a point that Boosevelt understands perfectly, or at least it is a characteristic of his which the people like. The public will accept a piece of interesting information from a subordinate, or from any hody, as naturally as you will accept a ham sandwich from a waiter. To sup-pose that the public will be interested in the official etiquette of the Pinchot-Ballinger matter is as ridiculous as to imagine that people will accept a fire

en brass buttons and stripes around his il falls to cure your cough or cold. We "Another way of putting it is that also guarantee a 25-cent bottle to prove Roosevelt is decidely a better editor than Taft -a better judge of the essential interests and inclinations of the publics. This is because he has never allowed 'cultivation' to take him away from an understanding of the plain principles and air-line directness of the penale. "Cultivation" is always accompanied by a certain number of forms and eccemonies, which scarcely interest the public at all. This is why a cultiented man in a place of leadership so often gets off on a tangent which the public fails utterly to understand."

Deafness Cannot Be Cured

by local applications, as they cannot result the diseased portion of the rat. There is only one way to care destines, and this is by constitutional remodes. Destines is caused by an inflamed condition of the monous lining of the Engaged and of the monous lining of the Engaged and of the monous lining of the Engaged and Time. When this tube is inflamed you have a rambility second or imperfect hearing, and when a le satirally closed. Destines is the result, and indeed the inflammation can be taken out and this tube resulted to its normal condition, beating will be destroyed forward; nine cases out of ten are caused by Catairh, which is nothing but an inflamed condition of the mothing but an inflamed condition of the properties.

About the State

Fred Stabbins had two fingers badly crushed in the press rollers at the purp mill in Militan last week,

Rev. Cicero Barber of Fort Edward, N. Y., who celebrated the 100th anniversary of his birth hast week, held his first pastorate at Arington and was later stationed at North Bennington.

The foundation of the Bennington County Savings bank at Benn neton has been proved unstable, and it has become secessary for the tenants on the two apper floors to secure temporary querters elsewhere while the brick walls are being replaced by granite.

A small fire in the humber mill of L &

brought out the hose company, but the fire your subdued before it arrived. The mill is used for the manufacture of all kinds of lumber and house finishing materials, window such, etc.

and the broken part, weighed with brick, For the pitchers Parkmen, the star twirler of last year's team, bids fair to better his good work, and showing the bay may be more or less damaged this apring by ice. The ice is rew crowded over the old "kerosene dock."

Reid, Hemenway, Platt and others, the shot for shot. Under cover of darkness,
